Sub: Clarification of status of student-trainees of educational/ technical institutes recognised by Central/ State Government or any authority constituted by them, vis-à-vis the Employees Provident Funds & Miscellaneous Provisions Act, 1952-reg.

Sir,

A reference was received in which a clarification on the status of student- trainee vis-à-vis the provision of the Employee Provident Funds & Miscellaneous Provisions Act, 1952 was sought from Head Office.

- It is a matter of common observation that now-a-days most technical/professional educational institutes impart industrial training/ practical on the job training to their students as an integral component of academic curriculum. During such training period, student-trainees are exposed to modern technical development and hands-ontraining of working on sophisticated equipments/ instruments etc. Stipend may also be provided to such studenttrainees, sometime. After such industrial/ on the job training, the student-trainee goes back to his respective institution for completion of the academic course.
- In such cases, it is made clear that employer employee relationship does not exist between the industry and student-trainee, who is on industrial on the job training as an integral component of a recognized course of an educational/ technical institute recognized by the Central/ State Government or any other authority constituted by the Central/State Government. Therefore, the payment of stipend, if any, provided by the industry to such studenttrainees do not attract the provisions of the Employee Provident Funds & Miscellaneous Provisions Act, 1952. However for the students getting placement in companies and appointed as employees of establishment, Employee Provident Funds & Miscellaneous Provisions Act, 1952 will be applicable on such employees even during on the job training/induction/other trainings taken after becoming employee.
- All concerned are advised to proceed in the matter accordingly.
